

Class 2 Summer Term 2016

Summer Term 1

For the first part of the summer term our topic will be *The Great Outdoors*. In Science we will be looking at trees and plants and how they grow and mature from seeds. In Geography we will be looking at different locations in the world and practising our geographical skills and field work. In computing we will be looking at various methods of conveying messages. In Literacy we will be looking at Fairy Stories such as *Hansel and Gretel* and poetry based on forests and the sea. Our non-fiction work will concentrate on letter writing and we will be reading *Dear Zoo* and *Dear Greenpeace*. In maths we will be concentrating on fractions, multiplication and division and problem solving and reasoning. In DT we will be looking at where our food comes from and how to make healthy eating choices. In PE we will be doing Yoga and in RE we will be looking at special books.

Summer Term 2

After half term, our topic will be *Under the Sea*. In Science we will be looking at animal habitats including those of sea creatures. We will be looking at what different animals need to live and how they obtain their food. In Geography we will be looking at Islands and concentrating on human and physical geographical skills. In Literacy our fiction text will be *'The Sand Horse'* and our non-fiction work will be based on minibeasts. In maths our focus will be on addition and subtraction using money and shape, time and data. In Computing we will be learning to use data logging devices and branching databases. In DT we will be designing and making puppets and in PHSCE we will be looking at changes and preparing for the transition to our new school year. Our PE will focus on team games and getting ready for sports day and in RE we will be looking at special stories.
