

## **Class 2 Curriculum Letter**

### **Spring Term 2017**

This half term our topic is Space and this is linked to our work in history where we be looking in detail at the moon landing and learning about space travel then and now. In our science lessons we will be learning about our bodies and the bodies of other animals. We will look at the life cycles of some animals and how they differ from other animals. We will also be collecting data about ourselves and learning to present and interpret that data. In literacy we will be looking at fantasy stories and in non-fiction we will be learning about animals that like the dark. Music lessons will focus on exploring beat through the use of body percussion. In art we will be learning about sculpture in different forms before moving on to make our own sculptures using recycled materials. PSHE lessons will be about setting and achieving goals for ourselves.

Next half term our topic is health and hygiene. In science we will be learning about healthy living and how to keep our bodies fit and healthy. In PSHCE we will be looking at how to build healthy relationships and in music we will be concentrating on telling stories through music and looking at the works of famous composers. In literacy we will be exploring things that make us laugh with humorous stories and silly poems. In history we will be looking at the life and achievements of Alexander Fleming whilst in DT we will be learning about healthy food choices and cooking healthy food.
