

English

We will be reading a variety of texts involving fiery dragons! Children will be looking at tales from other cultures and reading books such as the dragon machine.

Children will also be learning about labels, lists and captions and make fire safety posters. Children will also look at the poem London's burning.

Class Reader

Penguin by Polly Dunbar

Mathematics

- Number and Place Value
- Addition
- Money
- Telling the time
- Identifying the properties of 2d shape

Problem Solving Strategies:

- Act it out – children use given equipment to solve a problem

Science

Materials

In science we will be learning about the properties of different materials and how we can sort and classify them. We will be investigating how we can change materials and whether these changes can be reversed.

Class 2

Autumn term 1 2017

Fire

PSHE

SEAL: New Beginnings

R.E

Thanking God for nature. How do Christians and Jews show they are thankful for the natural world?

Music Ourselves

We will be concentrating on exploring sound through singing, body percussion and use of instruments.

P.E

Rising stars session with coach will be on Mondays. Gymnastics with a focus on Balancing jumping and rolling on Wednesdays.

Computing

Getting creative- children build understanding of digital texts. They use varied devices and software to create digital content. Children will understand algorithms and develop e-safety practice.

Art and design

We will be sketching buildings looking at shape, detail and proportions. Children will look at buildings from London now as well as from 1666.

History

The Great Fire of London topic. We will look at how the fire started, why it spread so quickly and what changes were made as a result of this.

Children will learn to sequence events and compare past and present.

Design and Technology

We will be junk modelling houses from 1666.
