## Mathematics

- Properties of 3d shapes
- Solving problems using the 4 operations
- Telling the time to half past, quarter past, quarter to and to 5 mins.
- Position and direction

### Problem Solving Strategies:

Logical reasoning – decide on a starting point with support. Draw a picture

INCLUDE BAR MODEL

## Science

### Animals and habitats

Identify things that are living, dead, and things that have never been alive.

Identify that most living things live in habitats.

Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.

Identify and name a variety of common animals and say whether they are carnivores, herbivores and omnivores.

## PSHE

SEAL: Good to be me

SEAL: Changes

Discuss the importance of money.

## RE

We will be looking at religious books and stories from the Bible, Torah and Qur'an and asking questions such as why did Jesus tell Parables?

## Music

Our theme will be weather and we will be exploring pitch and tempo and learning to use a variety of percussion instruments.

## P.E.

We will be practising attacking and defending skills when playing basketball. After half term we will be doing athletics and practise our skills for sports day.

## Geography

Name and locate the world's seven continents and five oceans.

Use world maps, atlases and globes to identify continents and oceans.

Use basic geographical vocabulary to refer to key physical features such as beach, coast, ocean, cliff.

## Computing

- Online safety & exploring Purple Mash – creating own avatar, searching Purple Mash and using the Online Work area.
- Pictograms – understand that data can be represented in picture form and use a pictogram to record results of an experiment.
- Presenting ideas – exploring how a story can be presented in different ways (quiz, fact-file and e-book).

## Design Technology

Making healthy sandwiches

Making a boat with a mechanism.

# Robins

## Summer Term 2018

## Oceans and Seas
