

English

- Enjoy sharing a variety of stories, poems and non-fiction books and encourage a love of reading.
- Listen to your child read aloud daily.
- Ask your child questions about what he/ she has read.
- Play phonics/ spellings games. (Many games can be found online.)
- Encourage writing opportunities, e.g. shopping lists, letters, postcards, invitations, thank you cards.

PSHE

- SEAL: Good to be me – what things are you good at doing at home?
- SEAL: Changes – look at baby pictures and discuss how your child has changed as they have got older
- Understand the importance of money as we get older. Go shopping and let your child pay for something and get change. Discuss where money comes from.

RE

Look at religious books and stories. Visit a place of worship.

Music

Listen to different types of music and encourage your child to sing along, tap to a beat and show changes in pitch with their hands.

P.E

Play ball games with your child including catching and throwing. Have races and play running games.

Mathematics

- What 3D shapes can you find at home in everyday objects (e.g. toilet roll/ ice cream cone)? How many faces, edges and vertices do they have?
- Go shopping, pay for items and work out your change.
- Telling the time to half past, quarter past, quarter to and to 5 mins.
- Position and direction – make an obstacle course around the house or in the garden. Take turns to give directions around the obstacle course.

Oceans and Seas

HOW YOU CAN HELP AT HOME

Geography

- Look at and talk about maps, globes and atlases including online resources, for example Google Earth.
- Talk about where you are going when taking journeys and locate places on maps.

Science - Animals and habitats

- Go on a walk and see how many animals you can find and name? Where do they live? What do they eat?
- Talk about animal habitats while looking at books or perhaps visiting a zoo.

Computing

- Explore Purple Mash at home (your child will be given login details)
- Talk about keeping login details safe.
- Ensure that your child stays safe when using online devices at home. The following website may be helpful:
<http://www.safetynetkids.org.uk/personal-safety/staying-safe-online/>
- Help your child to search for information online, using a keyboard/pad.

Design Technology

- Encourage your child to get involved in making healthy snacks/ meals at home and to become more independent where it is safe. For example, spreading butter on toast.
- Use junk to create a habitat.
