

## English

- Children will be reading and writing humorous stories about getting angry, with a focus on resolving conflict.
- Imaginations can run wild during our exploration of Fantasy Fiction.
- Investigation of Traditional Tale Newspaper Reports, exploring different character point of views.
- Understanding the important features of a Recount, with a focus on conjunctions and prepositional phrases.
- Exploring poems on a theme, with the emphasis on direct speech and powerful imagery.

Class Reader: Aesop's Fables

## Mathematics

- Number and Place Value moving beyond 3 digit numbers.
- Addition and Subtraction; Multiplication and Division, including money amounts and remainders.
- Fractions, including equivalent fractions and linking with division.
- Measurement, including time intervals, reading roman numerals,
- Geometry: Position & Direction; properties of 3D shapes, polygons and triangles. Statistics, including bar charts and pictograms.

Problem Solving Strategies: Draw a picture, Working Backwards.

## Science

### Animals, including Humans

We will be exploring the different components and functions of a body, including the skeleton, muscles, teeth and the digestive system and the importance of nutrition.

### Magnets

Children will observe how magnets attract and repel themselves and also investigate magnetic materials and forces.

## Computing

Children will investigate the different ways we can bring images to life using various programs and how images are represented digitally.

## Art and Design

We will look at the art created during the Roman Era, including mosaics and busts. Children will then explore their own features to create a clay bust of themselves.

## Design and Technology

Children will be exploring food available during the Roman times and designing packaging for storage.

## Languages

Children will continue to practice their speaking and listening skills, including the vocabulary of the months of the year and important celebrations.

## PSHE

Our PSHE learning will focus on the following themes:

SEAL: Good to be me  
SEAL: Going for Goals  
Money matters  
Who likes chocolate?

## R.E

Children will be developing their understanding of sharing food as part of religious worship and also identifying Easter traditions and symbols.

## Music

Children will be exploring, composing and performing a range of songs and compositions from throughout history.

## P.E

Children will continue with Rising Stars (Games) on a Monday and will be swimming during the first half term on a Wednesday. We will then move on to outdoor and adventurous activities.

## Swifts

## Spring Term 2018

## The Roman Empire

### History

We will be developing chronological knowledge by questioning, then learning about the conquering and development of the Roman Empire. Children will investigate the power of the Army and the impact across Britain.

### Geography

We will be investigating the countries occupied by the Roman invasions, as well as the physical geographical changes they made in Britain, such as our towns, buildings and roads.
