Faraway Fiction: Cloud Tree Monkeys

Myths and Legends

Argument and Debate

Poetic Style

Class reader: 'The London Eye Mystery

Mathematics

- Number and place value
- Addition and subtraction; Multiplication and division
- Fractions and decimals
- Measurement
- Geometry :position and direction ; properties of shapes

Problem solving strategies:

- 1) Using simpler numbers
- 2) Working backwards

Science

Changes of State and The Water Cycle:

Children will: investigate the properties of solids, liquids and gases; describe evaporation and condensation using practical examples; explain what happens to water at the different stages of the water cycle, design and carryout scientific investigations and make observations and conclusions.

Computing

Robotics and Systems:

Children will use a programming environment to create a quiz or a game where the score is kept. They will also program a physical device with an output and input.

PSHE

SEAL: Good to be me

SEAL: Going for goals

R.E: We will be looking at the topic of Belonging and learning how this is important to Sikhs and Christians. We will also be learning about the importance of sharing food within Christian and Sikh faiths.

Kestrels

Spring Term 2018 - Romans

Art and design

Children will learn about ancient Roman mosaics and use this as inspiration for their own artwork.

Music

"At the movies" – Children will explore music from 1920s animated films to present day movies. They will learn techniques for creating soundtracks and film scores, and compose their own music.

P.E

Children will be focusing on team games including dodgeball and hockey.

History

The topic for the term is The Roman Empire. This will include learning about the impact the Roman Empire had on life in Britain. Children will learn about the spread of the Roman Empire, the invasion of Britain and the eventual conquest. The children will also look in detail at some aspects of the Romanisation of Britain, such as the building of Roman roads and bath houses. In addition to this they will have the opportunity to learn about the British resistance of Boudicca and will act in role to look at the events of Boudicca's rebellion from different perspectives

Design and Technology

Structures: children will investigate Roman structures.

Languages

All About Me: This unit involves understanding and following instructions, naming parts of the body, identifying colours and saying what people are wearing.
