

English

Children will be reading and writing in a range of different genres:

- Fiction with an element of fantasy
- Persuasive writing
- Argument and Debate
- Non-chronological reports
- Poetic Style

Class reader: Alex Rider – Storm Breaker

Mathematics

- Number and place value
- Addition and subtraction; Multiplication and division
- Fractions, decimals and percentages
- Measurement
- Geometry: position and direction
- Statistics

Problem solving strategies:

- 1) Find a pattern
- 2) Find all possibilities

Science

Classifying Living Things and Food Chains

Children will learn how living things are classified and look at the ways in which living creatures adapt to their environment.

The Digestive System

Children will learn about teeth, the digestive system and how our diet can affect our bodies.

Computing - Animations and Logo

Children will firstly use their knowledge and understanding to create simple and more complex animations using 2Animate on Purple Mash. We will then move on to learn common commands and constructs of the Logo programming language; a text-based coding language used to control an on-screen turtle to create mathematical patterns.

PSHE
