CHARGING FOR SCHOOL ACTIVITIES

Based on the guidance provided the DfE

Policy update: May 2016
Policy Review: May 2017

The Local Authority or Governing Body may not charge for anything unless they have drawn up a statement or general policy on charging. Pirton Governing Body has adopted the Local Authority policy: it meets the requirements of the law and will be reviewed annually.

In general, no charge can be made for admitting pupils to maintained schools. Where education is provided wholly or mainly during school hours, it must be free. However, the school may charge for activities outside of school hours where these are not a necessary part of the national curriculum.

Voluntary Contributions

The Headteacher or Governing Body may ask parents for a voluntary contribution towards the cost of:

- any activity which takes place during school hours;
- school equipment;
- school funds generally.

The contribution must be genuinely voluntary, though, and the pupils of parents who are unable or unwilling to contribute will not be discriminated against. Where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it may be cancelled. However, any shortfall would not be made up via contributions from other parents.

Residential Trips

Schools are permitted to charge for the cost of board and lodging during residential school trips, even if they occur mainly during school time. This cost must not exceed the actual cost of the provision. However, the school cannot charge for the educational or travel elements.

Where the trip takes place wholly, or mainly, during school hours, children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of the charge for board and lodging:

- Income Support;
- Income-based Jobseeker's Allowance;
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit provided the parent is not entitled to Working Tax Credit and their annual income, assessed by the Inland Revenue, does not exceed the annual amount,
- the guaranteed element of State Pension Credit

Instrumental Music Lessons

A charge is permitted for instrumental music tuition undertaken in school hours for up to and including four pupils, unless the tuition forms part of the syllabus for a prescribed public examination (e.g. GCSE).

Public Examinations

No charges may be made for entering pupils for public examinations that are set out in Regulations. However, an examination entry fee may be charged to parents if:

- the examination is on the set list, but the pupil was not prepared for it at the school;
- the examination is not on the set list, but the school arranges for the pupil to take it;
- a pupil fails without good reason to complete the requirements of any public examination where the Governing Body or LEA originally paid or agreed to pay the entry fee.

Charges may not be made for any cost associated with preparing a pupil for an examination. However, charging is allowed for tuition and other costs if a pupil is prepared outside school hours for an examination that is not set out in Regulations.
