Wider achievements

Well done to our team of Year 6 game designers who entered a Purple Mash competition this month. Violet, Emma, Oz, Jacob S, Reece and Henry M worked together to design a fun game full of thrills and adventure, based on the theme Around the World. You can play this game if you go to the Pirton School display board, which can be found if you click on the 'sharing' icon in Purple Mash.

We also shared that we had been sent certificates from Garden House Hospice and NSPCC for our charitable endeavours.

Attendance

The winning class this week was Owls with 98.79%! The Year 6 children in Owls have had their SATS this week and there has been 100% attendance for Year 6. Well done for this achievement.
